Michigania Campers,

On behalf of the Alumni Association of the University of Michigan, I am pleased to welcome you to the world of Michigan alumni camping! We are delighted you have chosen to spend a week with us at Camp Michigania, on the shore of beautiful Walloon Lake.

Our goal, when preparing this booklet, is to provide information to help you plan for and take full advantage of your time at Michigania. I encourage all family members to become familiar with the material contained in the pages that follow, especially those of you that are long time campers!

Alumni-owned since the summer of 1963, Michigania has provided a unique opportunity for thousands of U-M Alumni Association members and their families. This year we look forward to making your experience one that you will enjoy and remember for many years to come.

Truly Blue,

Mitch Rosenwasser

**789’s Programs**  
*(for 7, 8 & 9 year old campers)*

789’s get to experience Camp in independent ways! For morning programs, 789’s should meet their group at their first assigned program location on the Morning Activity Grid in the Blue book. A dedicated staff member will guide the group between programs (three each morning, except Sunday, skits!), but parents should talk with their kids about what to do when the third program ends at 11:35 AM. Often parents ask their kids to meet them at their cabin or near the Dining Hall for lunch (which begins at noon).

In the afternoons, 789’s can do age appropriate activities listed in the daily special events schedule. The afternoon 789 program should help provide some structure and guidance for 789’s without sacrificing the independence gained, with the side-benefit of encouraging them to explore the different varieties camp has to offer.

Sunday-Thursday, afternoons begin with a special kick-off activity hosted by 789’s staff. To encourage 789’s engagement in Camp programs (try new things!) and interactions with their peers (independence!), a challenge program has been created. Each area that offers programming for 789’s in the afternoon will have a list of challenges 789’s can complete in their area. To receive this award, 789’s must complete challenges in at least five program areas and attend at least one 789 afternoon kick-off activity by 4:30 PM on Thursday. 789’s who complete challenges in all 10 program areas and a 789 afternoon kick-off activity will qualify for a Maize Medal. The week culminates with a 789/Pre-teen Variety Show & Awards Ceremony on Friday—everyone is invited to attend to see the talents of the 789’s/Preteens and to watch the 789’s receive their Challenge Awards and Maize Medals!

RIDING

Camp Michigania’s riding program is designed to offer individuals a chance to experience the enjoyment of being on horseback in a safe environment. Your understanding and cooperation will help make our program safe and fun.

SIGN UP PROCEDURES
Sign-up sheets for afternoon lessons and trails will be available on Saturday from 3-5 PM and every morning Sunday through Thursday at 8:30 AM. Sign-ups for rides that day and the next will be posted. Sign-up sheets include a number of “secured” spots on trails and lessons (limited by the demands of the activity and the horses available for it), as well as several alternate spots. Alternates will get to ride in that activity if those in secured spots cancel, don’t show up or aren’t there on time and the alternate is - at the direction/discretion of the Riding Staff.

In an attempt to give everyone a chance to ride:

• If a rider has signed up for a secured space in a lesson or trail for one day, that rider may only sign up for an alternate space on the following day.

RIDING ATTIRE

• Comfortable pants
• closed-toe/closed-heel footwear (such as hard-heeled boots, tennis shoes, or other sturdy well-fitting shoes) ** We do not allow sandals, crocs, keens, “five fingers” shoes, or bare feet.

• Safety helmets are required and are provided by Camp.

RIDING LEVELS

Preteens (ages 10+/5th graders and older) earn skill classifications (Blue M or Gold M) by attending a lesson and demonstrating proficiency of the below as directed by a staff member or attending checkouts on Sunday (ages 18+ only) and demonstrating proficiency.

**Attending a lesson or check-outs does not guarantee achievement, riders may be asked to take additional lessons before going on Trail. Our goal is to maintain the highest standards of rider safety.

• A “BLUE-M” rider is capable of handling a horse at a walk. To earn a Blue-M, a rider must be able to:
  » control their horse at a walk, including circling, changing direction and halting.
  » maintaining a reasonable position.
  » The rider must also have exposure to trotting in the ring.

A Blue-M enables the rider to go on walking trail rides.

• A “GOLD-M” rider is capable of handling their horse at a walk and trot:
  » Control their horse at BOTH a walk and a trot, including circling, halting, and changing direction.
  » Maintaining a reasonable position. The rider must also have exposure to cantering in the ring.
  » A Gold-M enables the rider to go on trail rides that include both walking and trotting.
The requirements for attaining this level are a bit more challenging, and not everyone receives a Gold-M.

Note that earning the blue and gold pony to place on your lanyard are based on participation and do not indicate a skill classification.

LESSONS & SPECIAL EVENTS

• **Morning Classes**
  Morning programs (depending on the age group involved) cover the basics of horseback riding. On rare occasions when we cannot ride (i.e. inclement weather), the children will meet at the stable for lessons on horsemanship including grooming, care, feeding, etc. No advance sign-up is required for morning programs for children.

• **Afternoon Classes**
  Classes are offered in the afternoons for riders in 789’s or older and are separated by level. **Riders must be present to check in 10 minutes prior to the lesson start time or they may forfeit their spot.**

• **Trail Rides**
  Trail rides are offered in the afternoons for riders in Pre-teen or older who have earned a Blue or Gold-M. We have found that returning campers benefit from a refresher lesson. Therefore, all campers are required to earn their Blue/Gold-Ms each year. Blue-M trail rides are walking rides. Gold-M trail rides include both walking and trotting. Canter is not permitted on any trail rides. **Riders must be present to check in 10 minutes prior to the trail’s start time or they may forfeit their spot.**

• **Check-Outs (Sunday only)**
  Adults and Blue Teens who know the basics of horsemanship may participate in the check-out on Sunday. Those riders who are able to demonstrate the basics of riding can earn Blue or Gold M without taking a full lesson. Riders who attempt the check-out and need more instruction in order to earn the Blue or Gold M will be advised to take a lesson.

• **Lead Line**
  Lead line provides an opportunity for 3-6 year olds to ride a horse as it is led around the ring. All children must be accompanied by a parent or other adult. **CANCELLATIONS**

In certain weather conditions, the riding area will be partially or completely closed to protect the safety of the riders and the horses. Such conditions include extreme heat, heavy rain, thunder, lightning, and high winds. We will offer alternative scheduling in cases of extreme weather whenever possible, and will post this information on the whiteboard in the dining hall. We ask your cooperation in not talking to or otherwise distracting those participating in a riding lesson. Each rider’s attention should be focused on their horse and instructor. When driving past a trail ride, please DO NOT honk your horn or stop your car. Loud noises and unfamiliar objects can frighten the horses and distract the riders. Thank you for driving slowly.

Observers are not permitted at the high ropes course. It is important that participants remain focused on their task. If you would like pictures, please send your camera with your child and the ropes staff will do their best to capture photos. Please refer to your Blue Book for the high course schedule. Children under 10 years old (or entering fourth grade or lower) are not permitted to use the high ropes course. Pre-teens meet at the Nature Center front porch for their morning Ropes classes. 789’s are guided to the course by their dedicated staff member for their Low Ropes/Challenge Games program. Adults and Teens meet at the Course.

ROCES COURSES

Michigania has both low ropes and high ropes activities. Success comes with the willingness to challenge oneself and take risks within the course’s safe and supportive environment. We maintain a challenge-by-choice philosophy, and the participant decides the degree of challenge. Groups are supervised by trained staff facilitators.

LOW ROPES & CHALLENGE GAMES

Michigania’s low elements ropes course offers participants a unique opportunity to challenge themselves and experience success through cooperation with others. A group of 10-12 people is presented with an “obstacle” or challenging problem. Their goal is to find a solution using different problem-solving techniques, group coordination, and creativity. The course includes group initiatives and elements such as the Whale Watch, Spider’s Web, and more.

HIGH ROPES COURSE

Michigania’s high ropes course offers participants a chance to challenge themselves in a high adventure setting. While securely fastened in a safety harness, participants climb, swing, jump, and zip through high ropes course elements such as the Climbing Wall, the Leap of Faith, Zip Lines, and many more.

SUSTAINABILITY

At Camp Michigania, we are committed to maintaining and improving sustainable living for our campers and staff. In order to inform environmentally engaged campers about these ongoing efforts, we will host tours, film screenings, and workshops focused on our beautiful garden, tree planting, forestry, composting, and more. We encourage every camper to get involved and check the Blue Book for times and locations of these environmental programs.

SPECIAL EVENTS

• Camper Introductions: On the Saturday night of your arrival, campers will gather on Flagpole Hill located on the lakeside of the Dining Hall. The Camp Director will outline some of the policies and programs, then a representative from each family can introduce their family to the rest of the campers. An ice cream and cake social immediately follows.

• Staff Skits & Introductions: On Sunday morning, bring the kids out to Flagpole Hill to see hilarious skits written and performed by staff members for your enjoyment. See the staff dress up in silly costumes and have a fun time putting on a show. All staff members will introduce themselves to the campers, giving you a feel for our diverse group of personalities.

Games include the 3/4 magic rock hunt, the hula hoop race, and the water balloon toss, just to name a few! If you don’t want to participate, come on down and grab a seat on the hill and get a bird’s eye view of the fun!

• Volleyball: Get ready for the rivalry of the week as campers take on the staff for a year’s worth of bragging rights in the Wednesday night volleyball game. First, the women take the sand filled court, then immediately following is the men’s game. Don’t worry about your skill level here, all are welcome to play, and it is all in good fun.
• **Softball**: It’s North Camp vs. South Camp in this weekly Camp tradition. After dinner on Thursday, come to the softball field to see the kids play. Next, the adults take the field for a friendly game.

CAMP POLICIES

CAMPS COUNCIL

The Camps Council Advisory Board consists of representatives from each week at camp and are a valuable resource for you during your stay. They provide direction and recommendations to the Camp Michigania professional staff, sharing your feedback throughout the summer and at two annual meetings.

CAMPER BEHAVIOR STATEMENT

As your Camp Michigania Camps Council Representatives, our hope is to sustain and enhance the camp experience for all families attending camp now and in the future. We would like to remind everyone that Camp Michigania represents a special place for all of our families, and we hope it always remains a welcoming, safe and enjoyable place. Your Camps Council fully supports the Camp policies regarding appropriate behavior and expectations of our campers throughout their week at camp, and would ask that each family review these expectations. Please feel free to contact your week’s representative if you have any input or concerns.

ALCOHOL AND DRUGS

Michigania’s policy with regard to alcohol and drugs is consistent with state law. In Michigan, the legal age for the purchase, distribution, and consumption of all alcoholic beverages is 21. Those campers of legal age who choose to consume alcoholic beverages while at Michigania must only do so with proper and lawful regard for the rights and safety of others.

It is the responsibility of those who have alcoholic beverages at Michigania to make certain they are not available to minors at any time, including making certain that all alcoholic beverages are stored securely inside their cabin unit (not in common rooms, on front porches, etc.) Michigania is a family camp and should be treated as such at all times. Consumption in program areas and other common areas should be kept to a minimum.

Campers choosing to drink should do so responsibly, with an awareness that inappropriate, alcohol impaired behavior dangerous to themselves or dangerous/disruptive to others may result in the Camp administration intervening, and possibly asking them to forego the balance of their week at Michigania. In addition, future attendance at Michigania may be denied. Use, possession, or distribution of illegal drugs is strictly prohibited. Campers are also responsible for properly handling and securing prescription medications. Those who violate the law will be held legally responsible for their actions and required to forego the balance of their week at Michigania. In addition, future attendance at Michigania may be denied.

AUTOMOBILES

To ensure the safety of all campers, and enhance the “Camp” atmosphere, use of vehicles in Camp is severely restricted. After unloading belongings at their cabins, campers should park their car in one of Michigania’s parking lots. Unless authorized by the administration, cars should not be driven in cabin and program areas again until the end of the week. Campers who leave Michigania mid-week should walk to and from the parking lots. Pull carts will be provided at each lot to aid those who need to transport items between their cabin and their car during the week.
**BICYCLES**

Bicycles may be ridden only in designated areas at specified times. These include the Camp road, west of the North Camp parking area. Campers are requested to walk their bicycles to and from their cabins. Please ride slowly and use extreme caution at all times!

**COURTESY FOR OTHERS**

Respect for the rights of others is essential if everyone is to enjoy their Camp Michigania experience. We remind you that sound carries at Michigania (more than you may realize) and many children and adults attempt to sleep early in the evening. If you are being disturbed, we encourage you to make your concern known. We expect that an appeal for quiet will generate a positive, cooperative response. Excessive inappropriate behavior, as determined by the Camp administration, may require campers to forego the balance of their week at Michigania. In addition, future attendance at Michigania may be denied.

**ELECTRONIC DEVICES**

We encourage all campers to take advantage of the unique natural environment at Michigania as well as the opportunity to interact with other campers. Therefore, we ask your discretion with electronic devices (such as iPods, handheld gaming devices, tablets, and cellphones). Electronic devices should not be brought to morning kids’ activities or workshops.

**DRONE POLICY**

Operation of a UAS by anyone on other U-M affiliated properties, such as Camp Michigania in Boyne City, MI is prohibited unless the use is approved by the IASC. The process for obtaining approval is initiated through submission of an application to the IASC, along with written permission from the Operating Site Property Manager. After review of the application and any supplemental information provided or requested, the IASC will either approve or deny the requested permission. If the IASC grants permission, it will be valid for a specific use and time period. If the IASC or Operating Property Site Manager denies the request, the use will be prohibited.

**GLASS BOTTLES**

Due to the hazards associated with broken glass, we urge you to bring all beverages to Michigania in recyclable aluminum cans or plastic bottles. If you do find the need to have glass bottles, please be very careful with them, and remember to dispose of all containers in the proper recycling receptacles. Glass bottles are not permitted in the swimming or boating areas.

**PETS**

Some of our best friends walk on all fours, but we simply don’t have accommodations for them at Michigania. Please leave your pets at home with a friend, or at one of our local kennels. Information on these local kennels can be found online or by contacting the Camp office.
The Alumni Association of the University of Michigan recognizes the increased prevalence of service dogs in society. The US Department of Justice Civil Rights Division, Disability Rights Section, under ADA requirements, defines a service animal:

Service Animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person’s disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

Per ADA and Department of Justice guidelines, The Service Dog policy for Camp Michigania is as follows:

A written request from a camper to bring a service dog to Camp must be submitted no later than 30 days prior to the start of the week the camper will be attending camp. The letter must answer the following questions:

1. Is the dog a service animal required because of a disability?
2. What work or task has the dog been trained to perform?
3. The dog shall wear a Service Dog vest at all times when outside the cabin.
4. The dog should be on a leash at all times, be under the control of the owner and not be allowed to run loose. This includes the entire Camp grounds, hiking trails, beaches and roads.
5. The dog shall not threaten or disturb (including barking) any other person, or persons, nor any camp program.
6. The owner must immediately pick up after the dog and properly dispose of any waste.

The Director of Camp Michigania shall have the authority to ask that a Service Dog be removed from Camp Michigania if the terms of the above policy are violated.

RECYCLING & TRASH

It is the responsibility of all who enjoy Camp Michigania’s facility to help maintain its beauty. We ask that you help us be better environmental stewards by ensuring that your trash is placed in proper receptacles in your cabin and throughout camp, and by picking up any litter you may see. Camp Michigania continues to enhance our recycling and composting programs. Trash, recycling, and composting bins will be available in several areas around camp, including program areas, the Dining Hall, and the Education Center. There will also be a recycling bin located in your cabin’s common area for easy transport to one of the designated locations around camp. Detailed recycling and composting information is also in your blue books and posted in cabins. If you have additional questions, please ask the staff.

MIXED RECYCLING includes all plastics, clear and colored glass, and metals. These black bins in blue racks are located wherever there is a trash bin throughout camp.

RETURNABLE CANs - place in marked bins at CAC, Nature, the North Lounge, Education Center, North and South Laundry.

Michigania staffers sort through the recycling by hand. Please make sure all items are clean and empty!
SMOKING

Because of the serious dangers associated with fire, we ask all campers to be especially careful with matches, cigarettes and other flammable materials. **SMOKING AND VAPING IS PROHIBITED except for in designated areas. Those areas are the hill to the west of the Education Center and the Staff parking lot to the west of the dumpsters.**

VALUABLES

Campers may check valuables at the Michigania office for safekeeping. Items in the safe can be reclaimed any time during regular office hours.

STORE CHARGES

Items in the Camp Store may be paid for by check, cash or charged against your account. You may establish a policy with your family, limiting daily charges, with the store staff. **Please note: store charges cannot be made after 2 PM on Friday. Cash and checks will still be accepted.**

If you are unable to settle your account during that time, please make alternative arrangements at the office in advance. SAFETY AT MICHIGANIA

SAFETY POLICIES

There is a sense of security and well-being at Michigania. Camp provides many opportunities for personal growth and development. Children in particular are often given more freedom and less supervision than usual. While we all would like the Camp environment to be worry-free, there are risks present. Children must not be left unsupervised on the docks or near the water when the boating and swimming areas are closed, and they may not visit the riding stable and venture into the horse stalls unattended. These are but two examples of activities (both in violation of Camp rules) with potentially serious consequences. It is the responsibility of parents and guardians of minors to supervise the children under these and similar circumstances and times. Everyone, and in particular adults attending with children, should be cognizant of and obey Camp rules (provided in each cabin unit and available at the office) and use common sense to avoid potential hazards. Parental/adult supervision of children is needed at Michigania, just as much, if not more than at home.

FIRST AID

The Michigania infirmary is located on the lower level of the Education Center and is staffed by a medical professional during posted hours. In case of a medical emergency during the day, report to any staff person and a medical professional will be contacted. In case of an emergency during the night, you may choose to go directly to Northern Michigan Hospitals’ emergency room (located in Petoskey, approximately fifteen minutes from Michigania; directions are on your Emergency Action Plan, posted in your cabin). Or you may contact the Camp administration per the information posted in your cabin. In order to help minimize the potential for accidents please obey Michigania’s safety rules, which have been established for everyone’s safety and well-being.

BABYSITTING OPTIONS

BABYSITTING PATROL

For your convenience, a babysitting patrol is offered Friday, 8:45 PM to 11:30 PM.

Two staff members in North Camp and two in South Camp circulate in the cabin areas, checking each cabin every 15-20 minutes until the parents return.

To be included on the patrol route:
• You must sign up Friday evening, no later than 8:30 PM (in Dining Hall, outside the store).
• All children must be at least five years old.
• You must be attending Keg & Koke.
• A fee of $3.00/hour/family is charged and should be paid in cash to the staff members when you return to your cabin.

PRIVATE BABYSITTING

Staff may be asked to babysit for any age children throughout the week. They can only babysit when they are not on duty and hours and wages should be worked out in advance directly between you and the staff member.

• have children younger than five
• wish to leave Michigania

We suggest you make arrangements with a staff member early in the week. Hours and wages should be worked out in advance with your sitter. Staff may be asked to babysit for any age children throughout the week in addition to Keg & Koke on Friday.

THE MICHIGANIA STORY

Michigania is owned and operated by the Alumni Association of the University of Michigan. It is the home of Michigan alumni camping in the summer, and a variety of educational and recreational programs throughout the fall, winter, and spring. The Alumni Association began its camping program in August 1961. Two one-week sessions for Alumni Association members and their families were offered at the University's Biological Station on Douglas Lake (approximately 45 miles north of Michigania). The following summer, the Association leased the facilities of two children's camps during their postcamp seasons: Camp Charlevoix on Lake Charlevoix, and Camp Huntingdon/Sherwood on Walloon Lake. Both filled quickly and it became apparent a permanent site was needed.

In the fall of 1962, following an extensive search, the Association learned the owners of Camp Huntingdon/Sherwood were retiring and wished to sell their camp. Assuring the owners it would continue to operate a camping program on the 377 acre site, the Alumni Association purchased Camp Huntingdon/Sherwood in December 1962. In what can be called a Herculean effort, many alumni and alumnae donated time and materials to renovate the camp's facilities prior to the 1963 season, in order to make them better suited to family camping. The first Memorial Day Work Weekend took place that year with a number of committed volunteers lending a hand to prepare camp for the approaching summer season, and this tradition continues today with 75-100 volunteers participating each year.

The 1963 Camp season consisted of ten one-week sessions, each filled to capacity with an average of 50 families per week. In the years since, the popularity of alumni camping has grown steadily. Additional cabins have been built and the season has been extended to eleven weeks to allow more alumni, alumnae and their families to attend, with capacity over 100 families per week, and a wait list of over 100 families. In addition to Michigania on Walloon Lake, the Alumni Association has operated an alumni camping program in upstate New York since 1973. Using the facilities of Pointe O’Pines, a private girl’s camp, Michigania East can accommodate approximately 50 families during each of its sessions at the end of August.
